

The **OHIO STATE ANTIQUE TRACTOR PULLERS ASSOCIATION, OSATPA**, is soliciting sponsors for the 2023 tractor pulling season. We are excited to announce that again for 2023, the OSATPA will be holding all our events at the Shelby County Fairgrounds in Sidney, Ohio, except for the Annual Plain City Thresher Pull. The organization invites you to be a sponsor for our non-profit organization.

With your sponsorship, your company's name will be included on our list of 2023 sponsors on our website, Facebook page, and (depending on your sponsorship level) the Annual Plain City Thresher Magazine. We will also announce your sponsorship during our events.

The OSATPA was founded in 1999. The OSATPA is composed of all ages; from seasoned veterans with 20+ years of pulling experience to first year, first time pullers. Our classes allow a place for most to pull. Classes range from Division 1, stock class style pulling all the way up to Division 4, open antique class tractors as well as the Altered Farm Stock Classes and new classes in Out of Field. The OSATPA participates jointly with the Threshers event at Pastime Park in Plain City. The Thresher's event continues to draw record hooks and great prize money. <http://www.OSATPA.com>
